

All the latest resources
from Hachette Paris in
2009....

Intext invites you to a French evening at our bookshop
Language International

...to meet with the Hachette representative Catherine Jourdainne
over a glass of wine and hors-d'oeuvres.

Catherine will present that latest Hachette resources in an informal presentation. She will relate the resources to the *Cadre européen commun de référence* (CECR) from the Council of Europe ... the international framework all Australian teachers need to know about.

These include :

Super Max - a task-based method for upper primary and junior secondary students

Le nouveau Taxi! - the second edition of this very popular beginners' course

Préparation à l'examen DELF scolaire et junior - the series which would suit our secondary students so well... A1, A2 and B1 - come and find out more

Lecture facile series- the new titles in this graded reader series, grouped by genre and level - all with audio CD and activities

... and many other titles of interest in the Australian context
