PRESENTATION

Melbourne French Theatre Inc. [MFT] was founded on 23 March 1977 at the University of Melbourne, and has been based first in Carlton North and then in Carlton - by lawyers Michael Bula and A. David Gorrie at the University of Melbourne. MFT has produced 80+ productions all in Melbourne, with tours to country Victoria, interstate and the South Pacific and Victorian schools. MFT is the only and longest-running French Theatre company under the patronage of the French Ambassador to Australia.

Plays are presented entirely in French with video-projected PowerPoint English dialogue-driven surtitles. Audiences are French and non-French speaking, comprising francophone community groups, primary, secondary and tertiary students, tourists to Melbourne and the general theatre-going public, as well as the deaf due to the surtitles.

MFT comprises professionals and volunteers from youth, community, technical and professional backgrounds, with paid professional directors and other theatre and artistic staff - a unique Victorian resource, celebrating Victoria’s cultural and linguistic excellence both for import and export of services, presenting full theatre productions, otherwise never performed in this country.
ENGLISH SURTITLES

English surtitles represents not only accessibility of all our plays in French as for French films but also caters for the deaf.

Increase in audience numbers

In order to increase its audiences and frankly to guarantee the survival of the theatre, MFT offers community activities in the form of presentations, training and workshops to secure its economic future. MFT has devised a surtitle system, which was first put in place in 1999 with great success with the increase in audience numbers and has been used and perfected in three (3) very different productions. The concept is to make our performances accessible to non-French speakers by projecting, like at the opera, surtitles in English allowing a general understanding of the play on a principal or “key” dialogue or alternatively on a scene by scene basis, allowing effortless understanding of the play.

Nature of the surtitles

The surtitles are an original creation for and dependent upon the constraints of each show.

Language access – French and English

The theatre is constantly battling to keep up audience numbers in the face of heavy competition, difficulties with language and could cease to exist if this "language access" system does not continue.

MFT BENCHMARKS

It is not easy to measure an intangible asset or outcome, especially as a cultural product or service, perhaps this can be presented in benchmarks, first in summary and then in years:

IN SUMMARY

MFT was founded in 1977 – its longevity is a testimony to its unequalled success.

In that time it has received regular and infrequent private company support, funding from the Victorian Multicultural Commission and the French Embassy, the latter very hard to obtain, as a measure of the encouragement, support and recognition the company has forged its niche in the competitive and fickle cultural services sector

MFT was placed in its formative years in 1986 under the patronage of His Excellency the French Ambassador to Australia. MFT is the only theatre company in this country to have ever received and continue to receive such an accolade and honour.

Collaboration agreements were executed between MFT and The University of Melbourne and the Australian Catholic University for mutual assistance and collaboration for joint ventures

Audience numbers are increasing – productions can attract anywhere between 800 and 1,500 spectators for seven shows only [five evenings and two matinees – one being a school’s or students’ matinee and the other a family/retiree one].
Primary [on occasion] and secondary school students make up 30 % to 35 % of audience numbers with strong support from the education and language sectors

Rising volunteer numbers from professionals such as set designers, costume designers, technical and graphic artist staff [not seeking their just professional fee] demonstrate on-going success of MFT as a company providing valuable work experience in a French-language and literature environment

Receipt of an award to Michael Bula 2006 for service delivery to Multi-cultural Victoria – Arts from Victoria’s award for excellence in multicultural affairs from the Chairman of the Victorian Multicultural Commission and the Premier of Victoria

Decoration from the French government conferred upon Michael Bula in recognition of the promotion of the French culture through theatre - Chevalier de l’Ordre National du Mérite – in 1998

Inclusion of MFT in numerous online and hardcopy directories as sole French theatre company recognised in this state and in Australia inclusion on the Commonwealth Register of Cultural Organisations.

INTRODUCTION – 1977 to 2013
MELBOURNE FRENCH THEATRE INC.

36 Year History
Melbourne French Theatre (MFT), an Income Tax Exempt Charity and Tax Deductible Gift Recipient, was founded in 1977 by Michael Bula and David Gorrie. In 1985 MFT was constituted as a non-profit incorporated association and was placed under the patronage of the French Consul General in Melbourne. In 1986 MFT was honoured to receive the patronage of His Excellency the Ambassador of France to Australia as a measure of the official recognition and prestige the Company has attained over the years. In 1991 MFT was entered on the Register of Cultural Organisations administered by the Department of the Arts in Canberra, thus providing tax deductibility for all private donations.

Sponsorship
The Company is sponsored or supported by a number of Australian and French companies established in Victoria as well as through business and private donations.

Michael Bula, Executive Director of MFT, as Algernon in “L’Importance d’être Constant” by Oscar Wilde 1996.

Victorian Multicultural Commission
MFT is proud to acknowledge the invaluable financial and moral support from the VMC for more than 10 years, without which MFT could not function to its present levels. VMC grants ceased in 2011 and MFT hopes they will recommence soon.

Productions
Two to four productions are mounted each year being mainly theatrical plays either entirely in the French language or in bilingual (French/English) form, supported since 1999 by a sophisticated and innovative system of English surtitles which were developed by Michael Bula by video-projected PowerPoint – to increase the number of spectators, especially anglophones. On some occasions cafés-théâtres and other projects are presented. The Theatre draws its inspiration for plays from a large repertoire of French playwrights from the Middle Ages until the present day.

Professional support
MFT employs professional directors, artists, set designers, technicians and other staff who may change from production to production to enhance the great variety of styles and presentation of theatrical works. The Company has performed in conventional and experimental theatre spaces as well as in National Trust mansions.

Australian and International Tours
MFT has toured three (3) times to New Caledonia - in 1988 with Le Jeu de l’Amour et du Hasard by Marivaux, in 1989 with Pauvre Bitos by Jean Anouilh and in 1991 with Le Médecin Malgré Lui by Molière. The last tour to the South Pacific was of the bilingual adaptation of Hôtel Paradiso by Georges Feydeau/John Mortimer created by Jean Papillon to Vanuatu in August 1993.

The company toured a number of times with great acclaim to Australia on occasion by special invitation of the French Ambassador to Australia with the Marivaux classic Les Fausses Confidences in February 1993, Antigone by Jean Anouilh in May 1994, being Huis clos by Sartre in May 1995 and Dormez, je le veux by Feydeau in late 1998 to the St Arnaud French Festival and March 1999 for the Canberra International Multicultural Festival. The production of Le Père Noël est une Ordure toured to the inaugural Adelaide French Festival in November 2000.

In 2007 the special MFT adaptation of Le Petit Prince directed and adapted by Karen Berger toured to more than 45
primary and secondary schools throughout Victoria, preceded by a preview season in June and a full production in December attracting nearly 7,000 spectators in all.

In 2010 Michael Bula conceived and directed *Des Courtes Lignes de Courteline* – 4 specifically modern adapted 1 act plays for schools, successfully continuing into 2013.

**Management**
The Theatre is managed by Michael Bula assisted by a Council of professionals from the fields of law, accounting, the arts, university administration and teaching in order to provide the wide base that is required to administer the specialised enterprise of presenting live French theatre in Australia and overseas.

**Producer**
Michael Bula is MFT Producer and main finance and infrastructure provider through his legal office Michael Bula Solicitors, International Lawyers and Notaries. He owns the trade mark name.

**Productions**
The Theatre has presented some 82 productions during its existence. Amongst its actors are to be found professionals and amateurs alike of French, Australian, European and other nationalities and origins. For a full list – see our website at [www.mftinc.org](http://www.mftinc.org).

**Official Patronage**
The French Embassy and the French Consulate General actively support the activities of MFT and all its endeavours. MFT also shares a healthy relationship with other French interest and cultural groups such as the *Alliance Française de Melbourne* and the French-Australian Association.

**University of Melbourne**
In May 1995, MFT concluded an historic association agreement with the Department of French and Italian Studies at the University of Melbourne, where the Company was founded. The agreement provides for, amongst other things, exchanges and cooperation for the promotion of mutual interests, student and staff participation in MFT activities, a staff member appointed *ex officio* to the MFT Council, as well as the Theatre officially forming part of the prestigious University community.

**2012**
In May 2012, MFT presented *Pyjama pour Six [Don't Dress for Dinner]* by Marc Camoletti directed by Bruce Cochrane to nearly 900 spectators. In September Marco Romero directed *Don Juan on Tiral [La Nuit de Valognes]* by Eric-Emmanuel Schmitt to nearly 700 audience members.

**Audiences**
Audiences are made up of French speaking ethnic groups, French speaking Australians as well as school and university students. The very existence of MFT serves to fill a cultural need in the presentation of the most exciting vehicle and exponent of French culture - live theatre.

**Other Services**
MFT is also an agency which provides French "looking" and speaking actors and extras for films, TV, commercials and photographic work.

**General**
The Theatre provides an opportunity for the public, students at all levels, francophones and francophiles including certain French-speaking ethnic communities and lovers of French drama to witness, participate in and enjoy the excitement of quality French theatrical productions.
