After listening to the different sub-committee reports presented by their respective convenors, you will concur with me that the 2022 committee members have worked very hard to promote the teaching and the learning of French in Victoria. It is a privilege and an honour to work with such a dedicated and highly competent group of people.

Conference Manager Note:

Having been approached to take on the Conference Management role, I was delighted to step into the passion and commitment that abounds the ecosystem of French Educators.

“Coming together is a beginning, staying together is progress, and working together is success.” Henry Ford.

It certainly takes a community to imagine, plan, create, implement, and deliver such an extraordinary event - and what a passionate, brilliant, and delightful community is that of French Teachers, and everyone involved on the peripheral of that!

Sincere thanks for embedding me into your wonderful community as your 2022 Conference Manager. It has been a delightful experience to reconnect with so many people and it has been delightful to work closely with Philippe, Diane and Lucie – AFTV and FATFA are exceptionally fortunate to have such brilliant leadership.

PART 2: ACTIVITY REPORT

Funded Activities		Comments/Observations
Teacher Professional Learning	AFTV Conference	<p>Include qualitative information about the impact of the funded activities, e.g., highlights, examples of best practice where appropriate, evaluation data (qualitative and quantitative feedback from teachers) and, the use of digital technologies for remote and hybrid professional learning and student activities.</p> <ul style="list-style-type: none"> The Conti E.P.I stuff was fantastic for me as a new teacher who has unaware of that method and the available resources for it. The "is written French still teachable" session was fascinating, but perhaps less immediately relevant. The conference was, as always, a huge undertaking for the committee and a huge success too so first-of-all: thank you to the committee and Diane, Philippe and Lucie in particular!-I felt really invigorated by the conference. I was considering leaving the profession but the sense of connection and fun really helped me realise how much I love teaching. When working out the program, it would have been good to create some streams: VCE / Primary / Junior school. Some sessions were clashing - they seemed to be aimed at the same audience. French is a hugely popular language in Victoria due to the quality of French teachers, the availability of the resources, the profile of France on the world scene and the pedagogy teachers use. It would be good to promote this more in the future/ make this more visible. The conference was great with great presenters and I thoroughly enjoyed being with like minded people, speaking French. It was extremely well organised. I found that I left with fewer ready to go strategies/ideas/resources though compared to the last AFTV conference about 8 years ago. I would have liked fewer theory focused sessions (very interesting though) and more classroom practice oriented sessions like the Conti or Le chant en classe ones.
	Nailing It! Unit 4	<ul style="list-style-type: none"> The PL was very well organised. The location, catering and content were all excellent. Thank you to the hosts for doing such a brilliant job in delivering such relevant information whilst keeping the atmosphere happy and relaxed ! I'll definitely come back :) I felt the breakdown of the Criteria for Unit 4 and the real samples to work with was excellent - Formidable et merci bien! Nathalie and Lucie were great presenters. The interactive nature of the day was appreciated and it was good to share experiences with other French teachers. A very worthwhile day all round. It was a great networking opportunity and I really loved the presenters and their enthusiasm. It would suggest spacing out the marking so the harder tasks could be tackled before lunch. The oral would be better in the afternoon as it is easier to mark/ create.

		<ul style="list-style-type: none"> Fabulous delivery, knowledgeable presenters. I would really love to see a wider range of student work presented. Perhaps in addition to the very useful activity of using the criteria to mark samples, we could also be shown some samples with specific direction as to why the piece was awarded a particular grade within a band.
	2022 Student Activity Subsidies [Berthe Mouchette Competition, French Cultural Days]	* Jennifer, we never ask for feedback on these. We know as practicing teachers that organising all of these requires extra time on top of the teaching and all of what is expected from us. Do you think we should ask for feedback? What form would you suggest?
Student Activities	Atelier Oral	<ul style="list-style-type: none"> The experience overall was very rewarding, in particular the conversation exercise in small groups. I felt it allowed me to understand what I need to work on before the final oral exam, as well as understand what will be expected in both parts of the discussion. Having a chance to also talk to other people doing French at other schools and provide feedback to each other was a major highlight for me and something I found extremely useful. I found the workshop really helpful specifically the conversation section. The mock oral was useful as it enabled me to get a feel for the exam in a more foreign environment (without people I know) which emulates the actual exam. It helped with my nervousness as it was still daunting but it was nice to not be alone with an examiner, a good in between step I think. The feedback from other students was good but I also liked being able to see what level I was at in comparison to others and therefore what I can improve on. The discussion section was okay but not as valuable to me as we had covered most of it in class, however it was good listening and speaking practice to be immersed in French for a couple hours nonetheless.

2022 AFTV AGM – Cultural PL Events

With the various restrictions on organising events, we were at least fortunate to offer 2 activities for 2022.

1. On Tuesday 28 June, 49 members and guests arrived at THE LUME Melbourne to discover the story of Van Gogh in a new and exciting way. Judging by the reactions of the many children and teens present who played, danced and chased the flowers projected on the carpet, I have no doubt that students at many levels responded positively to this different way of learning about art and the Teacher Resources supplied by the management for both Primary and Secondary contained some excellent suggestions for exploiting a group visit by students.
2. On Friday 19 August members and guests gathered at the National Gallery of Victoria to attend 2022's MELBOURNE WINTER MASTERPIECES EXHIBITION - THE PICASSO CENTURY preceded by a lecture to introduce the exhibition and 'pour aller un peu plus loin', Dr Bertrand Bourgeois, Senior Lecturer in French Studies, Melbourne University, spoke of the strong bonds of friendship amongst the many artists, poets and intellectuals with whom Picasso intercepted and interacted throughout the 20th century, especially those who gathered at Montmartre's Bateau Lavoir. His lecture, « Picasso, Braque, Max Jacob, Pierre Reverdy et Apollinaire: cubisme et poésie à l'aube du XX^e siècle » was both informative and engaging, delivered with much enthusiasm.

2022 AFTV AGM – Cultural PL Events

Both events were most successful with much learned and enjoyed. As well as return visits to THE LUME for Monet and Friends and the 2023 NGV Winter Masterpieces, it is hoped that this subcommittee will be in a position to offer other cultural activities according to the wishes of the membership.

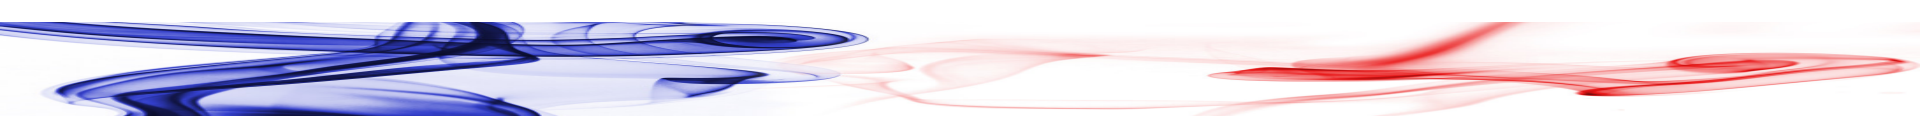

Suggestions are welcome. Please contact Info@aftv.vic.edu.au

My thanks to the subcommittee for their support, ideas and involvements. My thanks also to Dinah for all of the clerical work involved in making these events happen.

AFTV Facebook page

The popularity of the AFTV Facebook Page has grown to include 695 members, as of 5 February 2023. The group was created 4 years ago and has increased by 159 members.

2022 Membership	2023 Membership
536	695

On the whole, the increased membership has been mostly due to word of mouth, and from mentions through the newsletter and website. The Facebook page experienced an increase in numbers following the AFTV Conference last year, and has expanded to include members from around Australia, as well as overseas.

Moderators do need to keep vigilant in declining anyone who does not answer the membership questions, citing the need to do so as the reason. One reason is that we occasionally receive requests by accident from fans of the Arsenal Football Club, who unbeknownst to us, have a Facebook page by the same name.

Teachers in Victoria

2022 AFTV AGM – Digital Presence

Along with the increased membership, there has been an increase in posts from members for the purposes of resource sharing/seeking, job advertisements (including positions in schools, language assistants and tutoring), seeking assistance or clarification on matters of curriculum, as well as information about upcoming events, not necessarily linked to the AFTV, but of interest to French-teacher/ the wider Victorian Francophone community.

The general committee and moderators continue to promote events run by the AFTV, congratulating winners of competitions, feedback from members, etc.

AFTV Website

The new AFTV website has been positively received by AFTV members. Users have commented that it is user friendly, easy to navigate, with a contemporary feel.

Overall, the digital tools we now in place are improving our visibility as an association and assisting us in our mission of the promotion of French.

2022 AFTV AGM Professional Learning - Primary

The Primary Sub-committee continued its support of primary French teachers across the state this year, responding to numerous email requests seeking general assistance and advice.

There were two formal events of note for the year:

Language Passport Rejuvenation Project

I attended a full-day workshop on Friday 10 June at COASIT, Carlton on behalf of the AFTV. At the workshop, numerous language teachers reviewed the current Languages Passports, workshopping ideas for updating these and identifying the words and phrases in each language to be included (based on a consistent template that had been drafted).

The final versions of passports have been finalised by Kylie Farmer and the MLTAV and will be soon ready for printing and release.

2022 AFTV AGM Professional Learning - Primary

Primary Online Resource Sharing Session

We hosted an online resource sharing session for primary teachers on Wednesday 7 September. The session was attended by 8 primary teachers who shared wonderful resources for junior French learners.

Teachers who attended came from all 3 sectors (government, independent and catholic) and were from both regional and metropolitan Melbourne and interstate (South Australia)! There was a fantastic range of resources from AIM, adapted resources to PYP Inquiry units and these prompted great ideas and discussion.

Participant feedback was that the event was useful, and teachers were grateful for the opportunity to come together and chat. Resources were added to the AFTV OneDrive Primary Resources folder and shared with attendees.

In 2023, The Primary PL sub-committee will be combined with that of the Secondary PL sub-committee to promote further collaboration and ensure continuity of offerings.

Feedback from participants was resoundingly positive. Some key points included:

- Nouvata Hotel was very well received with rooms possessing sweeping views over Anse Vata beach. The extensive daily buffet breakfast was also a highlight.
- Participants enjoyed the planned siteseeing activities (Tchou tchou train, revolving restaurant lunch, guided visit of historic Nouville).
- School visits were a highlight for all participants. Primary visit: Ecole Guy Champmoreau; College visit: Collège de Tuband ; Lycee visit: Lycée Lapérouse.

2022 AFTV AGM Student Activities

Atelier oral Metro and Regional

Atelier Oral Metro was very successful again with 181 students enrolled. This year, we were happy to host the workshop onsite, at Glen Eira College. We received much positive feedback from both students and teachers. The AFTV has proposed that the same format to be kept for 2023.

Atelier Oral Regional was also a success with 93 students enrolled. The AFTV would also like to keep the same format for 2023.

Atelier Oral at Glen Eira College and writing exams resources to be made available and accessible online on AFTV website.

2022 AFTV AGM Student Activities

Soirée Trivia

Soirée Trivia was held at Sacré Coeur and was also very successful. We had 57 Year 9 students and 20 Year 10 students who enrolled for the evening. The AFTV would like to run the Trivia night again in 2023 as students really enjoyed this evening. They seemed to have enjoyed meeting with students from other schools and to be able to share their interests for French all together.

Francophonie Video Competition

The Francophonie video competition was very successful this year. Students in year 8 and 9 created original videos showcasing the diversity of the Francophonie world. Thank you to all teachers who continue to encourage their students to participate in the competition and bringing Francophonie in their classrooms.

2022 AFTV AGM Student Activities - Films

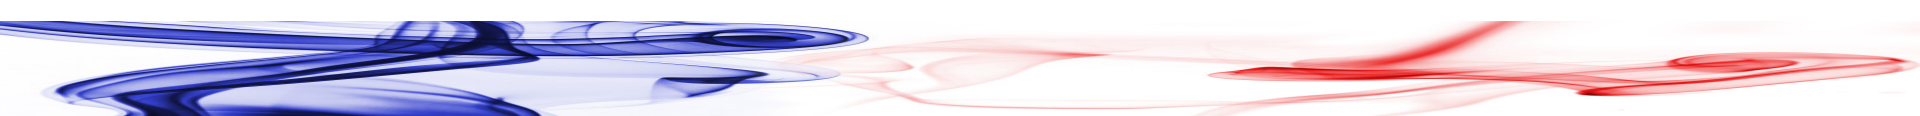

After the Alliance Française French Film Festival and Easter, investigations were started for the possibility of a French film screening suitable for students.

The options were Maigret/ Pil's adventure / La brigade / les illusions perdues which were released to the general public from the end of May. The advantage of having a film "in season" is financial, the AFTV does not have to pay the distributor's fees.

The choice was made of "La Brigade" which had been offered at an AFTV Teacher's screening during the AFFFF and enjoyed thoroughly. It seemed to have strong educational values for Senior students with the themes of Gastronomy, Migrants, Integration, Educational opportunity, and Social Justice.

La brigade was directed by Louis-Julien Petit with Audrey Lamy and François Cluzet.

The screening was decided in the week after the long weekend of Queen's birthday, hoping that teachers would be free of report writing and other school constraints, and Thursday 16 June was chosen at KINO in Cinema 1 with a capacity of 202 seats. It proved to be quite popular. As seats were snapped at a moment's notice, thanks to the good will of the events' organiser, we managed to run the film simultaneously in an additional cinema with **64 seats**.

2022 AFTV AGM Student Activities - Films

Teachers were sent a link to “fiches pédagogiques” to explore further the themes and issues raised in the film. The film was extremely well received by students who clapped enthusiastically at the end. It was a feel-good movie with young people and a strong touch of humanity.

Any suggestion of films and time of the year for future student screenings are always appreciated. Please send to: info@aftv.vic.edu.au
