2025 AFTV AGM – Treasurer’s Report

In 2025, DET allocated \$35,000 to be spent on promoting professional development for French teachers and on student activities designed to support the French language and improve learning outcomes.

In the same year, subsidies were set at \$1,500 for government schools and \$750 for independent schools.

In 2026, these amounts will be reduced to \$1,000 and \$500 respectively.

Marie Pépin, President AFTV Treasurer

2025 AFTV AGM – Cultural PL Events

Before I begin this report, I would like to thank Fiona Curnow for attending on my behalf the NGV's end-of-year celebration on 28 November which offered teachers a valuable opportunity to come together and reflect on the achievements of 2025 while exploring upcoming programs for schools. The event provided after-hours access to 2 major exhibitions- Women Photographers 1900–1975: A Legacy of Light and Let's Party! Fashion for Kids ; as well, an overview of the excursions, incursions, workshops and professional learning options available to support teaching across all year levels in 2026. The event also acknowledged the winner of the inaugural NGV x Officeworks Teacher Award, and all attendees enjoyed exhibition access along with light refreshments.

Our major event for 2025 on 15 June was the NGV Winter Masterpieces, the Impressionist Exhibition from the Museum of Fine Arts, Boston where a sell out group of AFTV members and guests enjoyed an enthralling day, starting with a fascinating and informative lecture by Bertrand Bourgeois from the University of Melbourne French Department.

2025 AFTV AGM – Cultural PL Events

Bertrand provided an overall view of this collection discussing Pre Impressionism, Impressionism and Post, showing many early works rarely exhibited as well as painters we were more familiar with- Manet, Monet, Degas, Renoir, Pissarro and painting 'en plein air' being made more feasible with the creation of paint in tubes and portable easels. After lunch we visited the each of the 10 very differently decorated rooms dedicated to an artist or a theme. An astonishing collection and so creatively presented! Our thanks to both Sylvain Pereira and Bertrand Bourgois for offering student worksheets for teachers to use after a visit to this exhibition. Our thanks always to David Menzies, Senior Educator at the NGV for all of his advice and assistance both beforehand and on the day. My thanks also to the subcommittee, especially Claire Cowen for introducing and thanking Bertrand, and to Philippe and Dinah for their assistance with the organisation.

2025 AFTV AGM – Cultural PL Events

We were sorry to delay our annual francophone dinner but the end of 2025 was just too busy with the exam, the marking and both the AFTV and LTV conferences to find a suitable date, but we assure you it will happen; plans are in progress for a date TBA in 2026.

In the meantime, we are already in contact with the NGV to arrange an event around the 2026 Winter Masterpieces. I have been assured that Cartier will be a fascinating exhibition with some extraordinary insights into the history of jewellery design and innovation, the materials, the exquisite beauty of each piece and wonderful stories about Cartier's patrons. Not to be missed.

Please if you have any suggestions for possible events don't hesitate to let us know.

My thanks to the subcommittee: Claire Cowen, Sandrine Prosser and Kyla Vaz

KEY 2025 INITIATIVES & ACTIVITIES

2025 Language-Pedagogy Bursaries - FATFA, in partnership with the *French Embassy Canberra*, offered pedagogical bursaries of \$500 each to support French teachers and their students. These bursaries aim to facilitate innovative classroom projects, professional development or cultural learning opportunities for both educators and learners.

<p>David Marsh</p> <p>Having coordinated the launch of CLIL/EMILE (Enseignement d'une Matière par l'Intégration d'une Langue Etrangère) some years ago, David Marsh now focuses on building innovative pathways to successful language learning and adapting educational practices for digitally astute young people. Visit Website</p> <p>Making Trends into Friends: Horizons, & Opportunities for Enhancing the Teaching of French</p> <p>Adaptability is a fundamental skill for all of us who teach. We are currently adapting to some fast-moving developments in the language teaching landscape. For example, we are seeing: Changes in the mindsets of Generations Z and Alpha, The impact of integrated language teaching approaches. Evidence of the early benefits on mind and brain when learning an additional language, such as French. This presentation explores seven trends, with insights on how we can adapt to realise the best potential of our students and energise ourselves as teachers.</p>	<p>Titaua Porcher</p> <p>Titaua is a lecturer in French and Francophone literatures at the University of French Polynesia, where her research focuses on Francophone literatures of the Pacific, particularly examining the representation of the body in these literary works.</p> <p>Performances Océaniques</p> <p>Cette présentation se déroulera en deux temps: le premier volet proposera des pistes d'investissements pédagogiques à partir de deux pièces de théâtre de l'intervenante : Hina, Maui et compagnie, publiée en 2018 (prix AMOPA des lycéens à Tahiti en 2019) et Oh my! Omai, publiée en 2022.</p> <p>Le second volet s'intéressera au Pin'a'ina'i, spectacle qui a lieu tous les ans à Tahiti et qui constitue un écho chorégraphié de la revue littéraire Littérama'ohi.</p>	<p>Antoine Séguin LA GLOIRE DE MON PÈRE</p> <p>Rather than a keynote speaker, Antoine Séguin is the AFTV #FrenchForward keynote RACONTEUR.</p> <p>In honour of Marcel Pagnol Year (celebrating 130 years since his birth), Antoine will present one of the three solo shows he has adapted from Pagnol's memoir-trilogy (My Father's Glory, My Mother's Castle, The Time of Secrets).</p> <p>A Q&A session will follow, offering an opportunity to discuss the educational potential of theatre, storytelling, language, the Provençal accent and Pagnol's novels.</p>

- This was my first conference and I thoroughly enjoyed it! It was so inspiring and energising.
- Thank you for a wonderful conference!
- The conference was a wonderful way to connect with other French teachers and to remind us of the important and worthwhile job that we're doing. The sessions were also excellent.

Constructive feedback

- More **transition time** to allow for people to move between locations, go to the toilet, etc.
- The presenters ran out of time and ended up rushing through (or not even talking about) the practical content, i.e. what to do in the classroom. For future presenters, I would strongly encourage them to **"frontload" their practical content**
- I worry about the accessibility of the conference for teachers who have a level of French where they could not access sessions given in French. I feel they would feel excluded and are probably in most need of good language pedagogy strategies.
- Sessions run by sponsors or exhibitors should be clearly marked // We don't want promotional sessions.
- Missing regional teacher perspectives

Management suggestions for next time

ORGANISATION

Use a KANBAN board ([asana](#) or trello)

- much more efficient - instead of information getting lost in email threads
- easier to track progress of tasks

CALL FOR ENTRIES

- Google form worked well, only use this and not email next time so ALL presentations are in one place and don't get lost
- when people submit entries, ask for their linkedin links
- ask for emails of EVERYONE presenting (if on behalf of a duo)

- Ask during this time if they require **special equipment** or **computer programs**

EXHIBITOR REGISTRATIONS

- Post more about sponsorship opportunities
- Find where these people are - may not necessarily be a member of AFTV or a french teacher

TICKETING

- Make a facebook event for the facebook group at the beginning - easier way to share information
- confusing ticketing process
- terms 'delegates' rather than 'attendees' confused some people
- naming confusing with the cocktail party
- people wanted to switch, we had to cancel in order to do so
- Suggest using a different ticketing platform

PROGRAM

- Need an easier way to update program instead of uploading PDF and having new link each time
- live uneditable google doc?

AFTV and forum de la Francophonie Competition

The new student activity was very successful in 2025. Students in Years 5/6 and 7/8 from across Victoria took part in the AFTV 'Plat du Jour' Video Competition, where they researched a specific francophone country and its national dish. Nearly 50 videos were submitted.

Thank you to Marie Pépin for all the work organising this opportunity for our students.

Soirée Trivia

La Soirée Trivia on Friday 8 August at Sacré Cœur was again a great evening. We had around 80 Year 9 and Year 10 students from various schools working together, including some as far as Geelong. The evening was a great success, with plenty of smiles and a lively, friendly atmosphere.

Thank you to Sacré Cœur for hosting the event and thank you to the teachers who accompanied your students for a fun night of questions ranging from gastronomy, art, language, history and geography !

This event once again a huge success and we can't wait to offer it again in 2026.

Atelier Oral - Metro and Regional Atelier Oral Successful Event!

160 students and 24 French teachers working in small groups, the energy was incredible. Thank you to the Glen Eira College staff for welcoming us into their school, and to the amazing Glen Eira College students who were ambassadors and helpers – they made sure everyone knew where to go and kept the day running smoothly. This workshop really makes a difference for Year 12s, giving them the confidence to tackle the oral exam, a clear understanding of the criteria, and valuable feedback on how to prepare and improve.

La Gloire de Mon Père

The **AFTV** organised a special event for Francophone students.

Bilingual/Francophone students are not often, if ever, given particular consideration among the AFTV Students Activities; we felt that a French play would be an apt end-of-year activity, and an acknowledgement of Francophone students' special place in the French community in Melbourne.

It was a first as well for the **AAFEBs (Australian Association of French English Bilingual Schools)**: 4 student-groups of member schools of the AAFEBs were present for the first time at an event organised by the AFTV. We were delighted to welcome 180 students and teachers from Albert Park College, Auburn High School, Caulfield Junior School and of course Glen Eira College.

And of course, heartfelt thanks to **Antoine Séguin** from L'ACCOMPAGNIE, who delighted us with his adaptation of LA GLOIRE DE MON PÈRE. The young audience was mesmerised by Marcel Pagnol's childhood story. They reacted in turn with joy, sadness, child-disgust 😊 and laughter as Antoine took them on the journey of simple yet ever more wonderful *provençal* memories of a boy their age a century ago.

2025 AFTV AGM Student Activities - Films

We had a successful screening of “Tous Toqués” (All stirred up!) at Kino on Wednesday 25 June. It took place 2 weeks before the end of Term 2, when VCE students have completed assessments for Unit 3 or 1 and before undertaking the next Unit. There were 7 schools (including a country school) participating: 3 government schools & 4 independent schools. A total of 230 tickets were sold. Prices per students were kept the same as in 2023: \$6 Government Schools, \$9 Independent Schools. This makes it an attractive proposition in comparison with other School screenings.

A worksheet was sent to all teachers participating and a short survey afterward (only one response...).

Thanks to the help of Kino manager and Palace, we managed to hire a second small cinema, due to a last-minute booking, in order to screen the same film, simultaneously. On the day, one school cut it very short and arrived 2 minutes after the starting time, even though we stress to arrive at least 15 minutes before the film starts. The annoying thing was that it was the only school which gave the school’s phone number instead of the teacher’s mobile number. In future, we need to reinforce the fact that a teacher’s contact is required instead of receptionist, secretary or treasurer of the school. This is to avoid stress and in fairness to other schools who have timed to the minute their excursion to the cinema. Luckily, the cinema manager was willing to delay the start of the film.

2025 AFTV AGM Student Activities - Films

The film was warmly received, students reacted positively and clapped before the end. The themes were very suitable to VCE study design for French: Francophonie, generational differences, reality TV, gastronomy, Canadian and French traditions and cultural differences...

Please find the comments below from the teacher from St Arnaud SC, who left at 6 am, drove her private vehicle to the city and was one of the first to arrive...

“My students had a marvellous time at the cinema and really enjoyed the film and talked about it for a good deal of the trip home. Well done - an excellent choice, and right on target as we are working on 'The Francophone world' at the current time.

Merci, encore une fois parce que c'était une journée inoubliable pour mes élèves.
Cordialement, Heather Bouchier”

It is so nice to find such positive feedback! It also reinforces the fact that the film selected for an AFTV screening need to be viewed ahead to ascertain its suitability for students.
